Above All, a Sheriff MUST Have Integrity.

Late in the Primary Election, Candidate Gerald Couch Sent Out a Last-Minute Mailing Exaggerating the Truth About Himself—and the Other Candidates.

JEFF STRICKLAND. CHARACTER. EXPERIENCE. INTEGRITY.

★ JEFF STRICKLAND ★

With **three decades** of experience in law enforcement, Jeff Strickland is one of Georgia's **most** experienced law enforcement officers.

Because of his **leadership** skills, Jeff was **chosen** by Sheriff Steve Cronic as Chief Deputy of our Sheriff's Office. The job of Chief Deputy is to manage the Sheriff's Office as the **second in command**—after only the Sheriff himself.

Jeff is **endorsed** by Sheriff Cronic and former Sheriff Vass because Jeff is the **ONLY** candidate with the character, experience, and integrity to successfully lead our Sheriff's Office.

x Gerald Couch

The truth is that Gerald Couch has **never** managed a department the size of the Sheriff's Office. Ever. **Jeff Strickland has.**

Nor has Gerald Couch created or managed multi-million dollar budgets and plans. Ever. **Jeff Strickland has.**

Nor has Gerald Couch effectively managed 450 employees and Officers. Ever. **Jeff Strickland has.**

The ONLY thing Gerald Couch has managed...is exaggerating the truth.
